Lorena, Eric,

Attached is the sponsor/exhibitor package for IGNITE22. I found the email I was to send you sitting in my draft folder.

Lorena, I'm glad I saw you at Sirens. Seeing you reminded me to follow up.

I have the logo from PortTech days and will add it to the website. Let me know if you have any questions. Would it be possible for us to be on the next PBID meeting agenda to present details of the event?

Ann
